Our Sponsors 2023

Planning and managing shutdowns, turnarounds and outages in the process plant environment is a complex and demanding function. If turnarounds are not

properly planned, managed and controlled, companies run the risks of serious budget overruns, costly schedule delays and negative impacts on customers.

The annual Shutdowns, Turnarounds & Outage Forum, taking place

22-23-24 MAY 2023 in Amsterdam, The Netherlands will provide you with innovative solutions and new strategies to tackle your on-going, critical turnaround challenges.

This information-packed event will help you achieve your turnaround milestone,

delivering proven solutions, applicable case studies and problem-solving discussions. Your team and your company will benefit from your new plan of action.

We look forward to seeing you in Amsterdam!

Very global, met people from all continents Good content & profiles The best shutdown event I have attended A business relevant event

Great sessions and well organized Great sessions and well organized Worth attending The conference was very useful and well delivered.

A great sessions and well organized Very informative will recommend Very informative will recommend Very informative will recommend

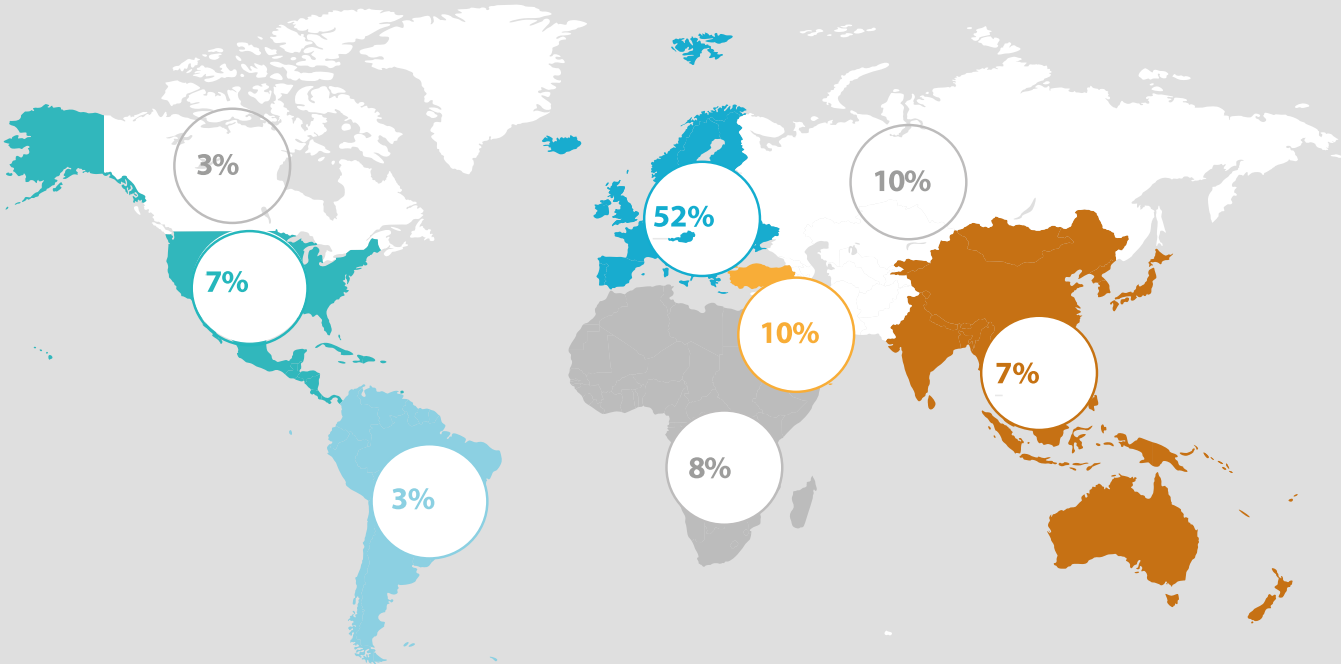

Attended for the first time, will not be the last Attended for the first time, will not be the last Amazing experience can't wait for next annual

Great forum to get an overview of the latest developments and challenges Will come next year for sure

Well structured agenda and all relevant participants

It was a great honor for me to participate in this years STMI Forum Very interesting event for the year

At 2019 Annual STO Forum, We had a great event not only by the means of the number of attendees but also by the number of relationships that were built during the three days. Our organization strives to provide the most comfortable environment for the participants to gather knowledge and interact with industry peers.

At 2019 Annual STO Forum, We had a great event not only by the means of the number of attendees but also by the number of relationships that were built during the three days. Our organization strives to provide the most comfortable environment for the participants to gather knowledge and interact with industry peers.

We thank all our partners and attendees who made the STOForum a success.

Sponsors & Partners:

09:00 Scope Identification is TA success factor

- TA Scope formulation concept
- Main consideration in scope identification
- Scope identification matrix as effective tools
- Control TA Scope the key of control TA aspects
- Improve TA scope is the gate way to successful TA

Mohamed Elsayed Mohamed
Maintenance Planning TL
Egyptian Ethylene & Derivatives Company

09:30 Beyond Budgeting – Business Agility in practice

- The problems with traditional management, including budgeting
- Companies on a Beyond Budgeting journey; examples of how they operate
- The Equinor (formerly Statoil) I story – the "Ambition to Action" model

Bjarte Bogsnes
CEO
Bogsnes Advisory,
former Equinor

AUTHORISATION AND ACCEPTANCE OF TERMS & CONDITIONS:

Name: _____

Date: _____

Signature: _____

This booking is invalid without a signature authorisation.

The signatory must be authorised to sign on behalf of the contracting organisation.

Terms and Conditions:

By submitting this signed booking form, I agree that the following terms and conditions have been read thoroughly and the content is well understood.

Payment Conditions:

Payment should be made in full immediately after submitting the signed booking form. Payment should always be made in Euros unless indicated otherwise. STMI Forum accepts all kinds of credits cards. Although the preferred means of payment is credit card, in a few cases the bank transfer option may be allowed ONLY on condition that the payment is made within 10 working days upon receiving the proforma invoice. The fee of the event includes the possibility to download speakers' presentations, access to the conference hall & materials, refreshments, lunches and snacks. Each delegate will be responsible for their own hotel accommodation and travel expenses, however STMI Forum will negotiate and offer the best possible hotel rates for its delegates in the same 4-star or 5-star hotel in which the event will take place.

Substitution Policy:

Substitution of delegate(s) is possible at any time without any extra fees. Nevertheless, STMI FORUM would need at least 3 days prior to the event to make arrangements for the substitute(s).

Cancellation Policy:

In case a delegate would like to cancel their participation for some unexpected eventualities, such requests must be submitted in written and sent by post 4 weeks prior to the event in order to obtain a full credit note for any future event organised by STMI Forum. The fees charged are strictly non-refundable. If STMI Forum would decide to cancel an on-going event, the delegate would receive a 100% refund of their payment. Non-attendance, otherwise referred to as a "no show" does not signify cancellation. STMI Forum will not be held responsible for events cancelled for reasons beyond its control such as natural disasters, accidents, sabotage, trade or industrial disputes, outbreak of disease, hostilities, terrorism, etc. However, a full credit note would be given in each of these cases.

Data Protection:

STMI Forum agrees to keep clients' information confidential in its database. The client gives STMI Forum the authority to keep their information in its database and use the information in any way necessary in connection with the event, otherwise consent should be sought. Client information will be removed immediately after receiving a written request by post.

PLEASE NOTE:

All booking forms submitted without a signature are considered invalid. STMI Forum reserves the right to postpone the event to a later date or make changes to the location or confirmed speakers. If a client decides to cancel their participation for these reasons the client will receive a full credit note which covers the amount paid to attend any future event organised by STMI Forum. The hotel information may not be provided at the time of booking but should be ready at least one month prior to the event. In such case, please bear with us.

Copyright:

The information included in this agenda is strictly meant for the company or person who directly received this agenda from STMI Forum. Under NO circumstance should this agenda be published on the internet or be made available to the general public without the prior consent of STMI Forum. All intellectual property rights in all materials produced and distributed by STMI Forum in connection with this event are expressly reserved and any unauthorised duplication, publication or distribution is strictly forbidden.
